Use of Library Facility Policy for Private Business/Tutoring
(adopted 6-8-10)

The Board of Trustees of the Millville Public Library will not provide any public space for conducting private business by individuals in the Library. This private business includes tutoring by private paid tutors, presentations to prospective clients for paid services and/or solicitation of goods. Paid tutors may not publish or distribute advertisements or letters indicating the Library as their place of doing business or otherwise imply Library sponsorship of their activities.

By agreement with the Millville Board of Education, students on Home Instruction and their tutors may use designated areas of the Millville Public Library for instruction. The Millville Public Schools will provide the Library with lists of eligible home-instruction students. Tutors must present official proof of their home-instructor status, as supplied by the Millville Board of Education. Specific procedures apply and have been agreed to by the Millville Board of Education.

The Library will not assume liability for the activities of tutors who use this facility in violation of the policy.

Guidelines for use of the Millville Public Library by Millville Board of Education tutors and students have been agreed to and will be held to by all participants as long as the agreement remains in effect. Copies of the Guidelines are contained in our Policy Manual, which is available at the Front Desk in the Library.

Rental and use of the library facilities for commercial purposes is not covered by this policy.

All other tutors will be denied use of the Library space for their own benefit and gain.
